## **Announcement to the Market**

### **2010 FULL YEAR PROFIT FORECAST**

ChongHerr Investments Ltd is pleased to announce its 2010 financial year forecast for both revenue and profit.

Revenue is anticipated to be increased to approximately \$2.4 million and profit to \$150,000. This represents an increase of 6% in revenue and 280% in profit over the previous period.

The improved result has been underpinned by the growth of export and local sales, driven by the increase in production volume and efficiency. The Board of Directors is confident that the sales will remain strong for the year of 2011.

ChongHerr Investments Ltd is due to formally announce its audited 2010 full year results by the end of February 2011.

Yours truly,

Dehui Liu  
CEO / Chairman  
ChongHerr Investments Limited
