Business Update: Additional Showrooms Opened in China

Australian Sandstone Industries Pty Ltd, a wholly owned subsidiary of ChongHerr Investments Limited, has recently opened additional two showrooms in China, one in Shanghai, the other one in Shuitou, a city well-known for its stone building material trade in Fujian Province, China.

The showrooms were opened to take advantage of the increasing popularity of sandstone products in China. They will serve to increase the exposure of ASI Sandstone, which is already a recognised brand name in China

Yours truly,

Dehui Liu
CEO / Chairman
