### **Major Sales Contract: 1.1 million Five Star Hotel in Guangzhou China**

ChongHerr Investments Ltd is pleased to announce that it has signed a 1.1 million contract with Guangzhou Hong Yu Group in China to supply sandstone building products to the construction of a five star hotel in Guangzhou, China. The contract also includes consultation for building panel installation and maintenance. Supply of sandstone will be completed within a period of 5 months, by the end of February 2007.

Densen Liu, managing director of ChongHerr Investments Ltd, said that this project will become yet another high profile building that showcases the ASI Sandstone quarried from the Company's quarries at Helidon, Queensland.

ChongHerr Investments Ltd (t/a Australian Sandstone Industries in China) is a major producer and exporter of Helidon sandstone. Since its entrance into the Chinese market in 2000, the Company has supplied Helidon sandstone to many important projects including museums, libraries, university buildings, municipal high court buildings, hospitals, hotels and residential developments. These high profile projects continue to improve products competitiveness in the Chinese market. ASI Sandstone has become a well-known and highly regarded building material among designers and developers.
