## **Announcement to the Market**

### **PROJECTED HALF YEAR RESULTS IMPROVEMENTS**

ChongHerr Investments Ltd is forecasting another improved revenue and profit performance for the financial half year ending June 2007.

Revenue is anticipated to increase by approximately 15% and profit is expected to increase by 25-30% on the previous corresponding period.

The improved profit performance is driven by strong sales in China and the continued efforts on cost control and production efficiency.

ChongHerr Investments Ltd is due to formally announce its audited half year result by the end of August 2007.

Yours truly,

Densen Liu  
CEO / Chairman  
ChongHerr Investments Limited
